Castor wheels

Wi-Fi control

Alexa enabled

## From the Air Experts

### The Carrier Klarwind range

Klarwind 23S  
CADR: 642m<sup>3</sup>/h  
Covers upto 950 sq. ft.

Klarwind 18S  
CADR: 468m<sup>3</sup>/h  
Covers upto 700 sq. ft.

## 5-stage air purification

Featuring a High Grade H13 True HEPA Filter that arrests up to 99.95% PM 2.5 particles.

### 1<sup>st</sup> stage:

Large dust (Pre-filter)

### 2<sup>nd</sup> stage:

Allergens (HEPA filter)

### 3<sup>rd</sup> stage:

Mould (HEPA filter)

### 4<sup>th</sup> stage:

99.9% of PM2.5 particles  
(HEPA filter)

### 5<sup>th</sup> stage:

5 harmful gases (Deodorizing filter)

## 360° airflow

Experience pure air in every corner

Your Klarwind air purifier comes equipped with a patented super power hybrid fan that combines high-performance inhalation with long distance airflow, to give you pure air everywhere.

## Ventilation sensor with Deodorizing filter

State-of-art sensor to check for indoor Gas pollutants with a GAS indicator on LED display. The deodorizing filter removes the gases and odor.

Gas Indicator

## PureMax technology

Control the speed of purification more precisely, with the world's first 18-stage fan speed control function.

## Monitoring air quality made easy

Along with tracking air quality, Klarwind also keeps you updated on specific PM2.5 and harmful gas levels with its smart LED + digital display.

## A good night's rest is a touch of a button away

Switch on the sleep mode to minimise sound and turn off the LED display and lights, so you can sleep better and wake up fresher.

# Control settings from the comfort of your bed or, using just your voice!

From changing modes to fan speed, now do it all easily using Alexa or the Klarwind smartapp (available on both iOS and Android).
